

Coimbra Group of Brazilian Universities

Istanbul University
Center of Excellence for Clinical Research

Short Course in Medicine & Health

The Coimbra Group of Brazilian Universities, in partnership with the University of Istanbul, are pleased to invite the members of the universities associated with CGBU to participate in the *Clinical Research and Good Clinical Practice* course from **June 25 to 29 in Istanbul, Turkey**. Entries must be made by completing the attached form that should be sent to the CGBU by **May 25, 2018** to e-mail address: gclubistanbulmedicine@gmail.com

COURSE

Clinical Research and
Good Clinical Practice Course

DATES

June 25 a 29, 2018

LOCAL

Istanbul University
Istanbul School of Medicine Clinical Pharmacology Department
Istanbul University Medicine Faculty Hospital
Istanbul University Baltalimanı Social Complex

TOTAL WORKLOAD

40 hours

NUMBER OF PARTICIPANTS

25

OBJECTIVES

Upon completion of this course, you will have an understanding of:

- Current practices in clinical trials
- Initiation and execution of clinical trials
- Ethical Issues concerning clinical trials
- International Regulations about clinical research
- Duties and responsibilities of investigators

PROGRAM

Training sessions on **Good Clinical Practices (GCP)**, sessions on basic principles and regulations, workshops, site visits and social activities. The attendees will gain a greater understanding of current practices in clinical trials, their planning and execution with lectures by high profile speakers, presentations and visits to institutions and researchers. The organization will create opportunities for participants to present and **share experiences, explore new directions, expand their networks and establish a long-lasting environment** for scientific interaction and connection between Turkey and Brazil.

WHO SHOULD ATTEND?

The course participants can be investigators with high potential especially from clinical branches such as cardiology, neurology, oncology internal medicine and clinical pharmacology etc., who have the interest and capacity to develop and improve clinical research in Brazil. Also, academicians who are not clinicians but involved in activities such as ethics committee.

CERTIFICATION

Istanbul University and Coimbra Group of Brazilian Universities.

Event Schedule

	Monday	Tuesday	Wednesday	Thursday	Friday
09:00 - 09:15	Opening and introductions	Workshop	3D Medical and Industrial Design Laboratory Visit	Drug Research and Administration Center Visit	Hospital Visits (Neurology and Cardiology)
09:15 - 10:00	Attendee expectations and pre-test				
10:00 - 10:45	Why do we need clinical trials?	Biotechnological Research			
10:45 - 11:00	Coffee Break	Coffee Break			
11:00 - 12:00	Introduction to International clinical center network	Duties and responsibilities of the investigator

17:00 - 20:00	Social Activity		Social Activity	Social Activity	Social Activity

EXPERT SPEAKERS

Prof. Dr. Yağız Üresin

- Chairperson of International Clinical Trial Center Network (ICN)
 - Vice Director of Istanbul University Center of Excellence for Clinical Research
- Head of Istanbul Medicine Faculty Department of Pharmacology
- Chairperson of the Clinical Research Ethics Committee Istanbul Faculty of Medicine
 - Professor of Pharmacology

Prof. Dr. Ahmet Gül

- Professor of Internal Medicine and Rheumatology
- Member of Istanbul Medicine Faculty Ethics Committee

Prof. Dr. Tufan Tükek

- Professor of Internal Medicine
- Member of Istanbul Medicine Faculty Ethics Committee

Prof. Dr. Vakur Akkaya

- Professor of Internal Medicine

Prof. Dr. Ayşen Bulut

- Professor of Public Health

Prof. Dr. Erdal Cevher

- Professor of Pharmaceutical Technology
 - Dean of the Faculty of Pharmacy

Ass. Prof. Dr. Selçuk Şen

- Assistant Professor of Pharmacology
- Member of Aydın Medicine Faculty Ethics Committee

Dr. Muhtar Çokar

- Member of Istanbul Medicine Faculty Ethics Committee

COSTS

Istanbul University will provide lunch and dinner during the course. Additionally, leaflets, books and education materials will be provided. Expenses with airfare and accommodation are the responsibility of the participant or his home institution.

INSCRIPTION

Inscriptions are **free but limited** and can be made **by the application form:**
<https://form.jotformz.com/80854515802659>

Registrations will only be confirmed after sending the air ticket to the CGUB to the e-mail gcubistambulmedicine@gmail.com , which should be done **until May 25, 2018**
